The image displays two side-by-side screenshots of the Autodesk Education portal. The left screenshot shows a confirmation pop-up with a green checkmark and the text "You're Confirmed!" circled in red. The pop-up text reads: "Congrats! We've confirmed that you're eligible for educational access to Autodesk products, and your account status has been updated. Your access will last 12 months from your confirmation of eligibility date, after which you can renew if you are still eligible. Now let's start designing and making." Below the pop-up is a "GET AUTODESK SOFTWARE" button. The right screenshot shows the main page with the text "Your educational access to Autodesk products is valid through August 3, 2024." circled in red. The page also features a navigation menu, a search bar, and a list of product cards for Tinkercad, Fusion 360, and Revit.
